Tariff note: Ward charges, daily attendance fees, the cardiologist's professional fee and the catheterisation laboratory are charged according to the ward class occupied. The stent, medication, investigations and consumables are charged at actuals in every ward class.

1. This is an estimate; the final bill depends on the actual treatment and length of stay. 2. MediShield Life and Integrated Shield Plan claims are pro-rated by ward class and are subject to the deductible and co-insurance of the plan; the amount not covered is payable by MediSave (within limits) or cash. 3. Your insurer's pre-authorisation, where obtained, states the approved amount. 4. Deposit at admission for Class A: S$3,000.
